

February 2017

# Beyond the Net Medium and Large Funding Info Session February 2017

**Ilda Simao**  
Grants Manager  
[simao@isoc.org](mailto:simao@isoc.org)

# Applications are open thru 23 March 2017

There will be only one cycle of applications for medium and large funding.

Apply at: <https://www.internetsociety.org/beyondthenet>

## Who Can Apply

<https://www.internetsociety.org/what-we-do/grants-awards/beyond-net-funding-programme/beyond-net-eligibility-criteria>

The programme focus on projects from the Chapter community, are eligible:

- Internet Society Chapters in good standing (as outlined in the chapter charter).
- Internet Society members in collaboration with the local chapter (support must be confirmed by a support letter, signed by at least two chapter board members).
- Applicants from places where there isn't a chapter presence are required to contact [beyondthenet@isoc.org](mailto:beyondthenet@isoc.org) prior to submit their application.

Previous grant applicants are requested to complete reporting from previous awards before applying.

# Funding Available

<https://www.internetsociety.org/what-we-do/grants-awards/beyond-net-funding/how-apply/medium-large-scale-projects>

- **Chapter Medium-scale funding** - Up to 10 000 USD

One year projects focusing on lasting solutions to local challenges.

- **Chapter Large-scale funding** Up to 30 000 USD

Two year projects that tackle challenges affecting the Chapter Community.

There will be only one cycle of applications for medium and large funding.

Chapter Small funding (up to 3500) is available throughout the year until 30 November of the current year.

# Focus Areas

<https://www.internetsociety.org/what-we-do/grants-awards/beyond-net-funding/how-apply/medium-large-scale-projects>

**Project proposals must fall into one of the following areas:**

1. Access and Development
2. Open Standards, Security and Resilience
3. Policy environment
4. The Internet in support of the Sustainable Development Goals:
  - SDG 4 (Education)
  - SDG 5 (Gender Equality)

# How to Apply

# Apply online via ZoomGrants

<https://www.internetsociety.org/what-we-do/grants-awards/beyond-net-funding/how-apply/medium-large-scale-projects>

- Create a general Chapter Zoomgrants account
- Complete your application in English, French or Spanish
- Submit early, so you do not miss the deadline
- You can make changes after submission up until the deadline
