Project: "Creation of a 2015 Permanent Forum about Internet Governance"

Four (4) Lectures during 2015 with the financial and logistic support of INTEC University, PUCMM university and INDOTEL (regulator) to promote all Internet themes related to "Internet Governance" wich are poorly known in our country, we will try to create awareness and encourage participation and collaboration.

To be celebrated on: March, May, July and September

All logistics associated to the project and Lectures to be dictated will be manage by:

Wanda M. Pérez Peña
Amparo Arango Echeverri
Juan Matos
Osvaldo Larancuent
Willy Marcelo Maurer
Fernando Hirujo
Cesar Moliné

We are planning to invite regional actors to participate in part of the lectures remotely.

All financial requirements to be supply by the three sponsors listed above.
