ISOC Board Meetings

Regular Meeting Dates and Locations

Many Trustees regularly attend meetings of either the IETF or ICANN. ISOC attempts to reduce Trustee travel and time away from home by co-locating one regular meeting each year with an IETF meeting and one with an ICANN meeting. The Annual General Meeting is ideally co-located with an Internet Society meeting.

These meeting co-locations not only reduce the overall travel demands on Trustees, they also provide the board with annual opportunities to engage and re-connect with key partners and stakeholders: the PIR board, the ICANN board, IETF and IAB leaders, and ISOC's membership.

ISOC Board Meetings

Regular Meeting Dates and Locations (*continued*)

As much as possible, the board also considers geographic rotation in the selection of its meeting locations.

Note: It has been suggested by some that the ISOC board consider co-locating one of its regular annual meetings with the Internet Governance Forum; however, this has proven difficult since date ranges for IGF meetings have varied widely over the years (from September to December) and specific dates and locations are often announced too late for our planning and meeting calendaring purposes.

3

ISOC Board Meetings

Retreat Dates and Locations

The annual board retreat is generally held as a stand-alone meeting so that Trustees are free to focus on ISOC business. September is usually the ideal time for the retreat, since it follows soon after the seating of new board members, and precedes staff formulation of annual Action Plans.

4

Planned and proposed meeting & retreat dates and locations for 2015-2017

	Board Meeting #1	Board Meeting #2 (AGM)	Board Retreat	Board Meeting #3
2015	Singapore 13-15 February (ICANN co-location & meeting with PIR) <input checked="" type="checkbox"/> Planned	Auckland 7-8 July (ISOC co-location & NetHui 2015) <input checked="" type="checkbox"/> Planned	San Francisco (Half Moon Bay) 16-18 September <input checked="" type="checkbox"/> Planned	Yokohama 30-31 October* (IETF co-location) <input checked="" type="checkbox"/> Planned
2016	Buenos Aires 9-10 April (IETF co-location & meeting with PIR) <input checked="" type="checkbox"/> Planned	Africa June-July (ISOC co-location) <input type="checkbox"/> Proposed	Location TBD Tentative Dates: 13-15 September <input type="checkbox"/> Proposed	North America 5-6 November (ICANN co-location) <input checked="" type="checkbox"/> Planned
2017	Europe 17-19 March (ICANN co-location & meeting with PIR) <input type="checkbox"/> Proposed	Location TBD June-July (ISOC co-location) <input type="checkbox"/> Proposed	Location TBD September <input type="checkbox"/> Proposed	Asia-Pacific 18-19 November (IETF co-location) <i>IETF's 100th Meeting</i> <input type="checkbox"/> Proposed

*To be held prior to IETF Yokohama due to dates for IGF in 2015. Board meetings are typically held after IETF & ICANN meetings.
