Report to ISOC BoT
22 March 2016

Overview

- **Thanks!**

- **Yokohama (IETF 94)**

- **Elections**

- **2016 Plan**

  - **Meetings**

- **JPAT**

- **GIR**

- **Questions?**

Internet Society

Introductions

- **Thanks for the opportunity to present!**

- **Scott Mansfield – Ericsson (co-chair OMAC)**

    - **Presenting**

- **Cheryl Miller – Verizon (co-chair OMAC)**

- **Christoph Steck – Telefonica (co-chair OMAC)**

Goals for Presentation

- **Status of OMAC since Yokohama (IETF 94) meeting**

- **Plans for 2016**

Yokohama (IETF 94)

- **New Engagement**

    - **Different venues (more than just IETF)**

    - **Different formats**
        - Virtual
        - Face-to-Face (formal and informal gatherings)

- **Meeting with JPIX a Japanese Internet exchange provider**

    - **Overview of IXPs and Internet Governance from the perspective of a Japanese IXP**

    - **Presentation →**

        IXP-IG

- **ISOC/ISOC-JP/WIDE/IGCJ Event**

    - **Organised by Prof. Hiroshi Esaki**

    - **Japanese community + OMAC invited**

- **This was Izumi's last meeting**

Elections

- **Elections for the ISOC OMAC were held**

- **We had 4 candidates vying for the 3 slots**

- **Scott Mansfield**

- **Cheryl Miller**

- **Christoph Steck**

2016 Plan

- **Implementing the decisions we made in late 2015 to…**

  - **Vary locations to try and engage more policy folks**

  - **Vary meeting formats to engage different interests (lunch, receptions, round tables, traditional OMAC format)**

  - **Have the co-chairs use Connect for blog posts to help engage with the community**

- **Upcoming schedule**

  - **BA IETF95 – no OMAC meeting**

  - **Virtual meeting week of 11th April – GIR**

  - **Virtual meeting week of 13th June – Berlin prep & status**

  - **F2F (3 hour, Friday afternoon) OMAC engagement – focus on Security issues related to connecting the unconnected**

  - **1-2 Virtual meetings leading up to…**

  - **IGF – (lunch or reception) – WTSA-16 debrief and actions**

JPAT

- **Two initiatives have completed**

- **WSIS+10**

  - **Very successful engagement with good participation and support provided to ISOC**

- **Pervasive Encryption**

  - **A number of meetings and good engagement with ISOC team**

  - **Work continues on the topic but in a different venue**

  - **People are still encouraged to participate, but not a JPAT activity any longer**

- **Looking for leaders to define the next JPAT engagement**

  - **Policy implications of Security for IoT is one suggestion**

  - **Need to advertise to OMAC members to understand what thorny policy issues they are struggling with**

GIR Support

- **OMAC has been engaged to support the GIR**

- **Coordination with the Chapter Advisory Group is something to discuss**

- **First meeting was held on 20 March to review Michael's thoughts and gather input from OMAC**
