

# IAB Report

April 2016 to June 2016

[Previous report to the community](#)

# How does IAB work relate to ISOC?

- [As an input to the work of ISOC:](#)

The IAB acts as a source of advice and guidance to the Board of Trustees and Officers of the Internet Society concerning technical, architectural, procedural, and (where appropriate) policy matters pertaining to the Internet and its enabling technologies. If necessary the IAB may convene panels of knowledgeable people, hold hearings, and otherwise pursue the investigation of specific questions or topics presented to it by the Internet Society.

- [As a means by which the IETF relates to the wider world](#)

The IAB acts as a representative of the interests of the IETF and the Internet Society in technical liaison relationships with other organizations concerned with standards and other technical and organizational issues relevant to the world-wide Internet.
