

IoT Summit Agenda

June 28th Thursday

Auditorium A, N5 Conference Hall

09:30 – 09:40 Opening Remark and Welcome Speech

Graham Trickey, Head of Internet of Things, GSMA

09:40 – 10:00 Keynote 1: When Things Are Connected, What's Next?

Chris Penrose, President of IoT Solutions, AT&T

10:00 – 10:20 Keynote 2: Future IoT – Think Beyond

Erik Ekudden, CTO, Ericsson

10:20 – 10:40 Keynote 3: The Future is connected

Joint Presentation:

Wang Enxi, Vice President, SUNSEA IoT Technology Ltd.

David Friedman, CEO, Ayla Networks

10:40 – 10:55 IoT and 5G: Edge Computing Driving IoT and 5G usage

Serge Willenegger, senior vice president of product management, Qualcomm Technologies

10:55 – 11:10 the Challenges of the IoT Hype

Dr. Li Li, CTO of H3C

11:10 – 12:10 Panel Discussion: IoT Security

Moderator:

Ian Smith, IoT Security Lead, GSMA

Speaker:

Frédéric Donck, Managing Director of European Regional Bureau, Internet Society

Sri Chandra, Senior Director, Standards and Technology, IEEE

Panel List:

Brito Rodrigo, head of product management, Nokia Security

Jiang Wangcheng, President of IoT Solutions, Huawei

Samuel Sinn, Partner Cyber Security, PwC

12:10 – 14:00 Lunch Break and Keynote 4

14:30 7th Mobile IoT Summit

7th Mobile IoT Summit Host

Amaia White, Senior Project Manager - IoT, GSMA

14:30 – 15:10 Panel: Mobile IoT network performance & market opportunity

Moderator: TBC

Panellists:

Luke Ibbetson, R&D Director, and Chair of GSMA NB-IoT Forum, Vodafone
Qiao Hui, General Manager of IoT Company, China Mobile
Chen Xiaotian, General Manager of IoT Company, China Unicom
Zhao Jianjun, General Manager of IoT Company, China Telecom
Masaaki Koga, General Manager, head of Industry Standards Department, KDDI

15:10 – 16:00 Realising the value of Mobile IoT through data analytics

Moderator:

Svetlana Grant - Programme Director, Internet of Things Programme, GSMA

Speakers:

Mike Lee, Senior Advisor, FarEastone

Hong Lu, Managing Director of IoT, China & Asia, Cisco

Speaker TBC, Teralytics

16:00 – 16:40 Panel: Mobile IoT solutions enabling future ecosystem growth

Moderator:

Shane Rooney, Executive Director, Internet of Things (IoT) Networks, GSMA

Panellists:

Dr. Georges Karam - President and Chief Executive Officer Sequans Communications

Simon Glassman - Head of Strategic Partnerships, EMEA, u-blox

Francis D'Souza, Vice President, IoT Services, Gemalto

One more speaker TBC

16:40 – 17:25 Presentations: Mobile IoT customer deployments and market experience

Thomas Herbst, Director, Utility and Energy Markets, ARM

Yin Tan City/ Alibaba

17:30 Closing for the IoT Summit
