#ShapeTomorrow

Why the Chapters Advocacy Meeting?

Mobilize – Engage – Discuss – Inspire Action
Respond together to the Internet's Challenges

**We cannot do this alone.
We need our Community
and Partners.**

What are the 2018's Challenges?

- ❑ People are losing trust in the Internet
- ❑ Not everyone is connected yet
- ❑ An increasingly connected world is putting data and privacy at risk
- ❑ The Network is fragile and needs our protection

The future of the Internet is in our hands. We must work together and inspire others to **#ShapeTomorrow**

What are we doing to address the 2018's challenges?

	<p>Innovating to connect the Unconnected (Community Networks Campaign)</p>		<p>Promoting collaborative Governance (Internet Governance Campaign)</p>
	<p>Securing the Internet of Things (IoT Campaign)</p>		<p>Strengthening the global routing system (MANRS Campaign)</p>

What is the main objective of this advocacy meeting?

Mobilize and engage the African Chapters to achieve the objectives of the 2018 campaigns.

We need talent and commitment from our chapters to
#ShapeTomorrow

Meeting Format

How we ensure successful participation of Chapters and Fellows?

Before the Meeting

- Regional Quarterly Calls (Q1 & Q2 2018)
