- 2 min transition to Q&A

10:18 – 10:38

20 mins

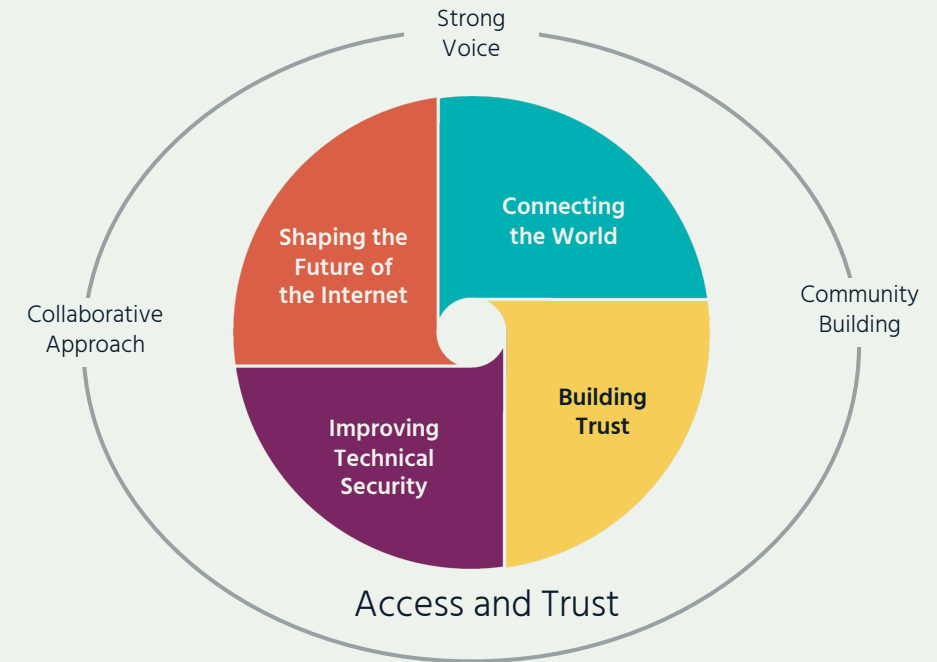

## Q&A – 20 mins

**Step 1:** Ask audience to submit any questions arising from action plan presentation via Sli.do – [Exec role](#)

**Step 2:** Show Sli.do screen to see submitted questions

**Step 3:** Audience to scroll through the questions on their screen and UPVOTE the most interesting questions. More likes result in higher prioritization of questions

**Step 4:** Interview Execs by using top questions (take as many as time allows) – [Exec role](#)

# Future of Intercommunity Discussion

2 min transition

10:39 – 10:54

15 mins

Highlight video of Chapterthon IoT Projects

**Introduction of segment** – James

Brainstorming of ideas previously submitted via Sli.do – James & Joyce

**Step 1:** As the brainstorm happens, ask audience to submit new ideas of what they'd like to see in a community event.

**Step 2:** Ask the Sli.do screen to be projected in order to capture new ideas submitted – MC

**Step 3:** Audience to scroll through the questions/ideas on their screen and UPVOTE the most interesting questions. More likes result into higher priority of questions.

# Chapterthon 2018

10:55 – 11:10

15 mins

- Overview of Chapterthon 2018 – [Christine / Ilda proposed](#)
- How Chapterthon projects support the IoT campaign – [Frederic proposed](#)
- **Announcement:** Audience participation: 3 things they like about the 3 projects with the highest votes yet to be projected (Sli.do submission)
- Announcement of projects with highest community votes – [Exec role](#)

11:10 – 11:20

10 mins

- 3 min video – Project 1 (highest votes)
- 3 min video – Project 2 (highest votes)
- 3 min video – Project 3 (highest votes)
- Read Sli.do submissions of audience participation

# Chapterthon 2018 Winner Announcement

**11:25 -11:30**  
5 mins

Closing remarks – [James or Joyce](#)

End of broadcast

# Community engagement tool – Sli.do

## Why Sli.do?

- No need to install app
- Users join app by entering an #eventcode
- Registration is not required
- Easy to track live interactions and poll results
- Allows us to use eventcode prior to event for community engagement

INTERCOMMUNITY 2018 eventcode will be **#icomm2018**
