#SecureIt #ShapeTomorrow

Building and Strengthening our Community

- We believe mobilizing people around the world is key to ensuring the Internet's future.
- Strengthening and increasing support for our membership community is key to the Internet Society's success.
- bringing together and engaging with our community, especially our Chapters and members, is one of our highest priorities.

Why the Chapters Advocacy Meeting?

...Community is much more than belonging to something; it's about doing something together that makes belonging matter.

Mobilize – Discuss – Engage – Inspire Action

Meeting Format

How we ensure successful participation of Chapters's representatives (Fellows)

Before the Meeting

- Regional Quarterly Calls (Q1 2019)
- Pre-meeting Workshops
- ISOC's Day
- Ideas of Post-Meeting projects or activities

During the meeting

- ❑ Training and experiences-sharing Advocacy
- ❑ Presentation and discussions on post-meeting concrete projects and activities.
- ❑ How to improve collaboration between ISOC and chapters and among chapters

After the meeting

- Follow up and make sure Chapters' representatives (Fellows) implement their post-meeting projects and activities by the end of 2019
- Provide support and resources for successful implementation of Fellows' post-meeting plans
- Evaluate: Share the successes. Learn from challenges.
