ChAC and ChAC-SC

- The ChAC is the voice of the chapters to the Internet Society President & CEO and Board of Trustees: bring locally informed advice and recommendations that concern the chapters and their members.
- Local to global approach: it brings together representatives –one (1) representative per chapter– from Internet Society chapters around the world.
- The ChAC-SC is a group of nine (9) geographically diverse members annually elected from among the ChAC representatives to work on the topics brought forward by the chapters.
- The ChAC-SC also interacts with ISOC staff on topics requiring its advice and collaboration.
